Mary Lake: a sonic adventurer. With an international upbringing in Algeria, France and The Netherlands, she seeks a voice through her music, translating inner dynamics in both club and exploratory settings.

As a DJ, Mary Lake serves up unorthodox techno that defies convention. Her sets are an irresistible invitation to dance that echoes in both the underground haunts of De School and the revered techno temples of Bassiani, Tresor and Berghain.

A familiar face in the Amsterdam scene, she holds residency at Spielraum. Her live sets, such as at Dekmantel Festival and Positive Education are hypnotic yet brimming with an infectious energy that keeps the audience on the edge of their senses.

In the world of Mary Lake, music comes under the medium of storytelling. Her signature is an ever-evolving and forward-thinking sound that pushes the boundaries of genre. Adding to her repertoire, she counts several releases, including her debut EP on Nous'Klaer and an eagerly anticipated second EP forthcoming on Dekmantel.
