Wata Igarashi has quickly emerged as one of Japan's leading DJs and producers. He has been exploring the deeper side of techno through well-received EPs on Midgar, The Bunker NY, and DJ Nobu's Bitta label, as well as standout tracks on compilations on Semantica and Time to Express.

By day, Igarashi works as a sound producer and the skills he has developed through his work are reflected in his productions, which are distinguished by their subtle and carefully polished feel. Igarashi pursues a similar sound in his DJ sets, developing a distinctive take on the more trippy and psychedelic brand of techno Japan has become known for.
