Aurora Halal is a producer, DJ, and creator of Brooklyn's influential Mutual Dreaming party series & the Sustain-Release festival.

Shadowy and psychedelic, her hardware live & DJ sets have a hazy sensuality and metallic dance floor intensity that's at turns playful, dark, euphoric, and emotionally vulnerable.

In all her projects, she treats dance music as an arena for transformation and since 2010, her events have been rooted in an underground, DIY approach that pushes forward-thinking sounds, production, and ideas. She's spent the last 10 years touring like-minded clubs, raves, and festivals worldwide and gained a reputation for powerful, unique performances that work both the body and mind.

She's 4 years into a residency at NYC's Nowadays, is a regular at Berghain and previously De School. Aurora has been entering 2022 at full pace, dedicating her energy towards both her sets and productions.
