His music on labels like Token Records, Spazio Disponibile and Spectrum Spools only confirm the class of his sound. This is also confirmed through his immersive ambient AV shows at places like Mutek and Berlin Atonal, his captivating DJ sets and his solo live techno shows.

The long time collaboration with Donato Dozzy, starting off with them performing and recording as Voices From The Lake, has evolved into them co-running the Spazio Disponibile label.

Neel is a true modern day techno craftsman who can do surreal and unusual things with sound in truly unique ways as both a DJ and live performer.
